DBG’s arrival is timely for banks, entrepreneurs – GCB MD: The Managing Director of GCB Bank PLC (GCB), Mr. Kofi Adomako, has indicated that the arrival of the new Development Bank Ghana (DBG) is timely for banks and also for the growth of Small and Medium-sized Enterprises (SME) in the country. He further disclosed that DBG is not going to compete with commercial banks but it is going to bring out the value in commercial banks in the sense that it is going to on-lend over much longer terms, in both foreign currency and Ghana Cedis which commercial banks have lacked for a long time and has stifled the growth of SMEs. 46% of Ghanaians believe insurance companies care more about money than helping policyholders: Per a third-round survey conducted by the National Insurance Commission (NIC) in all 16 regions of the country, 46.2% of Ghanaians hold the view that insurance companies in the country care more about monies paid to them in the form of premiums than actually helping insurance policyholders who have subscribed to one insurance product or the other. Moreover, 43.7% of Ghanaians believe insurance companies will always delay or make it difficult for their clients to make claims. The survey further reveals that, 34% of the respondents surveyed find insurance products unappealing whilst 6% of the respondents had never heard about any insurance product. (Norvanreports)
